

Anoka Ramsey Community College

Available start dates to accept Argosy University students:

We just need the Argosy students to apply. They could start summer.

Academic Programs and Degree Options

Are they looking for a list or the requirements for the degrees/certificates? There are guide sheets in advising.

Are you willing to accept credits from Argosy University students?

We do accept credits from Argosy. Students need to send us an official transcript. Advisors can work with the students to petition courses that may come in as an "elective" but it may be okay for a specific degree or certificate. I'm not sure what access students have to syllabi. We can get course descriptions out of TES (Transfer Evaluation System).

If so, please outline your transfer process including any exceptions, guarantees, limits, etc.:

As you know, we do not have limits for transferring in courses. Some programs have year limits on specific courses. Those can be petitioned.

Describe your transfer admission requirements, review process and timeline, including incentives for Argosy students:

Now that we are through Nursing admission for Fall 2019 and PTA admission we can be more flexible with prioritizing Argosy transcripts. We just need to know.

Please indicate the best way for interested students to begin the process of transferring to your institution:

Send ARCC an official Argosy transcript to the Records Office.
Make an appt with an advisor.
